DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

This Office Action is in response to the communications dated 05/22/2007. Please see the accompanied paper for detail(s).

### DETAILED ACTION

1. This Office Action is in response to the communications dated 05/22/2007.

New claim(s) 27-34 are only active claims in this application.

Claim(s) 1-26 have been cancelled.

### Notice of NonResponsive

2. The amendment filed on 05/22/2007 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention or to invention(s) other than the one elected is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because the elected claims 1-5, 13-17, and 26 are drawn to dielectric device and/or semiconductor device having dielectric film, while newly submitted claims 27-34 directed to method for forming dielectric film and method for producing a thin film transistor, which are drawn to invention(s) other than the one elected.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
